Livingstone Families!

We have developed a fundraiser for staff and students to support mental health and wellness. Students have offered to have their heads shaved, and teachers are growing unsightly facial hair. Pledge forms will be provided to students, and the school will also be taking direct donations. Donations over \$25 will qualify for tax receipts. Non-perishable food donations will also be accepted and then distributed to the Food Banks in both the Crowsnest Pass and Pincher Creek.

Every dollar and/or food item will equal 1 vote towards a specific teacher and specific facial hair style that they will enjoy wearing for a week at the end of the month! All net proceeds go to support Alberta Metal Health Foundation's Kickstand program, providing mental health support for youth in our province. Don't miss out on your chance to help a worthy cause and tease your teachers! Stay tuned to our school Facebook page for more updates and information.

Thank you kindly,
Mr. Gillespie
