**Patton Park Society**

The Society is comprised of local community members and the focus is to raise funds for improvements to the local park that families can enjoy! So far, great things have been accomplished such as playground installation, planting of trees, shrubs and grasses, baseball diamond repair, pathway paving, soccer and track and field upgrades and skate park upgrades. We are seeking volunteers who are interested in joining the Society and duties will include planning for future projects, advising the M.D. of maintenance projects that may be required and fundraising input. Let's continue to make the park better for the community.

Please call Kathy Rast at 403-628-2330 or Tanya Douglas at 403-627-0373.
