

Livingstone School Newsletter

Wednesday, December 6, 2023

At Livingstone School, we have a giving, community spirit. This year we are going to help support families who need extra joy this Christmas season through the Crowsnest Family Resource Centre toy hamper initiative. The focus is to help provide age-appropriate toys to local children whose families may be unable to afford them this holiday season. In your child's classroom is a donation jar labeled "Help the Elves". If you wish to donate to our Christmas charity this year, please send a loonie or toonie before December 21. If you are living in the Crowsnest Pass area and would like to apply to receive a hamper, please call 403-562-8000 by December 9.

The high school Foods Class is having a fundraiser Cookie Sale this Friday! \$1.50 a cookie or \$5.00/bag. Proceeds will help to purchase items for the Grade 11 & 12 annual Christmas dinner.

A HUGE thank you to Northback for their generous donation of \$1500 to support our Nutrition Program!

LSA is Underway!

Our athletes have begun their dryland training and the first afternoon at Castle Mountain will take place on Friday, December 8!

Fees must be paid prior to students participating at the ski hill.

The Ski Academy Society is holding a 50/50 Fundraiser. Tickets are \$5.00 and may be purchased from any LSA family. The winner will be drawn on February 8, 2024.

Thank you to Karla McGee for making t-shirts for the Livingstone Climbing Club and Ainsley Harriott for her amazing graphic design!

Grad 2024 Italian Night Fundraiser
Friday Evening at the Cowley Hall
Tickets are \$10 each and are available at the Office. We look forward to a fun evening of great food, dessert auction and silent auction!

December 21 Elementary Christmas Concert
1:15 p.m. & Christmas / Thrift Market
More info to come!

December 22 Pajama & Movie Day

It's Time for Science Fair!!

Attention all Parents and Students from Grades 1-9! Science Fair will take place in the Gym on Tuesday, January 30th. Teachers will be handing out planning templates for your child. We strongly encourage all students to participate (For Science 7,8,9 students this is part of your Science mark..) We realize that a lot of the work for this falls on Parents to help your child with their project and displays at home.. Thank you for all you do! It is so awesome to see it all come together on the final day. If you are having trouble coming up with a topic go to Sciencebuddies.org This website has projects for all ages, interests and difficulty levels. You can use the "Topic Wizard" to help you select a project that suits your interests.

We are rounding up prizes for 1st, 2nd, 3rd. Places for each grade as well as a grand prize and numerous draw prizes for all participants! Start your projects early! For further questions, please contact your child's teacher or Mrs. Kathy Rast for more information. (rastk@lrzd.ab.ca).

We are accepting donations of warm winter apparel for our Clothesline of Warmth!
