Breakfast Initiative

With the generous donation by Northback to Livingstone Range, we will be implementing a breakfast program for students in all grades beginning next week. Each morning a selection of fruit, yogurt and oatmeal will be available for students to access if needed. The purpose of the nutrition program is to supplement what students are bringing from home, not as a replacement. When more supports and supplies are in place, the team will expand breakfast options that may include eggs, wraps, muffins, etc. Our Foods class will be assisting in preparing the breakfasts. We look forward to providing this option to students.

A big Sabre welcome back to Mrs. Hochstein who has returned to the Grade 2 classroom! Thank you to Ms. Gray for all of her hard work with the Grade 2's this year and we wish her well in her future endeavors.

Sabre Athletics

A Landfill cleanup fundraiser will take place this Friday. Participants are asked to bring gloves and wear appropriate clothing for the changing weather.

It is important for athletes to participate in these fundraisers, if possible, as it allows the registration costs to be set at a lower rate, enabling more students to join the sports teams. Athletes are asked to return their signed permission waiver.

The Sr. High Zone Qualifier Meet was held today in Pincher Creek and the Jr. High Meet will take place on Tuesday, May 28.

Sports Booster Meeting

Thursday, May 30, 6:30 p.m.

The Grade 7 class will be traveling to Nanton tomorrow to visit the Bomber Command Museum. The students will learn about the history of Canadian military aviation and have the opportunity to participate in some hands on activities. The class will be joining with students from Matthew Halton. The bus will leave the school at 10:00 a.m. and return for regular bus pickup. Students are asked to bring a bagged lunch, snacks and a water bottle.

All school, sports and Ski Academy fees are past due. Please remit on School Cash Online or at the Office.
