A reminder to families that there are no microwaves for student use in the elementary classes. In addition, it would be helpful to send eating utensils with your child as the school does not provide them.

Sabre Athletics

Our Cross Country Running Team competed in the District Meet today in Pincher Creek. The team did an amazing job at the Bullhorn Coulee Classic Run on September 27!

Our volleyball teams are going strong and we wish them luck on their upcoming games and tournaments!

Please note: There is no supervision in place for students to remain after school to wait in between games and practices for siblings or friends. In addition, the practices are usually closed for coach and athletes as to make the most of the practice time.

The only available spaces for spectators are the Gym, front foyer and public washrooms as other areas are closed at 3:30 p.m. for cleaning purposes.
