Newsletter October 30, 2024

Spirit Week has been so much fun so far! Today, 14 staff members volunteered to receive a pie in the face! Mr. Gillespie was lucky enough to get two! The Kindergarten class celebrated Halloween today with a costume parade through the classrooms. Tomorrow, judging will take place for the pumpkins carved by each class.

HALLOWEEN DAY REMINDERS

We are so excited to see everyone's costumes tomorrow!

Students will get to participate in House League activities after lunch in the Gym.

A few reminders:

Masks are permitted for the parade only. Students cannot wear masks during class time or at recess.

Weapons (even if they are just props) are not permitted at school so please leave them at home. Any prop weapons will be taken and left in the office for students to retrieve at the end of the day. It would be a shame if they forgot to grab it and didn't have it for trick-or-treating.

Students will be going outside for recess. If their costume is not appropriate for the weather, please send them in normal clothing and they can change into their costumes before the parade

There are regular classes on Friday, November 1.

LSA SKI & SNOWBOARD TUNING WORKSHOP
