BECOME A School Board Trustee

In Livingstone Range School Division

Get ready to make a difference.

School Board Trustees play a crucial role in governing our schools. They set priorities, approve divisional budgets, and make decisions that put our students first. As a Trustee, you'll represent the voice of your community, attend board meetings, and engage with all levels of government to advocate for public rural education. It's a role that demands passion, dedication, and a commitment to the success of 'Every student, every day.'

Election 2025.

The citizens of our wards elect the seven Trustees who govern Livingstone Range School Division on their behalf. Trustee elections occur every four years, during the same time as municipal elections. The next election is on **October 20, 2025**.

Help shape the future of education.

Imagine the difference you can make. Imagine the impact of your decisions on our future leaders. This is more than a role; it's a chance to contribute to a legacy of educational excellence in the Livingstone Range School Division.

Time well spent.

Trustees are compensated for their time, reflecting the essential role they play in our community. You can expect to dedicate about 15 hours per week, which includes board meetings, committee work, and community events.
